KAISHINIKATETS ᐱᓕᓕᓕᓕᓕ AURORES BORÉALES

The premiere event of Canada's eastern Arctic and North, Northern Lights 2012 is a four-day business and cultural showcase of Nunavut, Nunavik and Labrador/Nunatsiavut. The event is taking place from February 1-4, 2012 at the new Ottawa Convention Centre in Ottawa, Ontario.

Canada's North is the new land of opportunity. Significant investments are being made to social and economic development including infrastructure, housing, communications, tourism, energy and more, which is providing a solid foundation for businesses to develop products and services for growing regional, domestic and international markets.

With a multi-sector trade show, the highly-anticipated Arts and Culture Pavilion, 11 conference sessions, and a number of exciting social events, your business or organization will have the incredible opportunity to explore the vast developments in Canada's northern region. More than 1,000 participants are expected to attend from across Canada and abroad – don't miss out!
